Youth Ministry 2019

The major theme for 2019 is *friendship with Jesus*. More than being preoccupied with our agendas, Jesus wants us to develop our friendship with him. The Mary and Martha story in Luke 10:38-42 is especially important this year. Martha was focused on her agenda; Mary was focused on her friendship with Jesus. We want to excel in our programs, but not at the expense of sitting at Jesus' feet and listening to him.
